MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Project Eastman Kodak Company

1. This project involves, at present, three contracts and a letter stating our intention to negotiate a fourth contract. They are as follows:

- | | | |
|---|------------|-------|
| (a) EN-95 - Engineering Services | | FY-55 |
| (b) EQ-1806 and Amendment No. 1 there
- Equipment and Installation | | FY-55 |
| (c) FP-1054 - Film and Chemicals | | FY-55 |
| Total FY-55 | | |
| (d) PO-660 - Film Processing | ---none--- | |

25X1A

2. Eastman has signed the three contracts and is returning them to us, with some alterations in FP-1054. FP-1054 will eventually be a straight purchase order, when the firm price per foot of film is known.

3. A separate file is to be set up for each of the above contracts.
